

KOLRAM

A Solutions Ready Company

KOLRAM offers service in Connecticut, New York, New Jersey, Massachusetts, Vermont, Rhode Island, New Hampshire and Maine.

From employee and educational campus monitoring, to healthcare facility access, **KOLRAM** will plan, design and maintain all your security needs with a system that is perfectly suited to your project requirements.

At **KOLRAM** we understand access control management, such as CCTV surveillance for personal safety, maintaining corporate privacy, creating accountability and deterring criminality.
